

■ Disaster Preparedness Guide for Educational Institutions

A Practical Handbook for Schools, Colleges, and Universities

Prepared for: Students, Teachers, Institutions, Parents & Government

Table of Contents

1. Students (K–12 & Higher Education)
2. Teachers & Administrative Staff
3. Educational Institutions & Local Disaster Response Teams
4. Parents & Guardians
5. Government Departments (NDMA, Education Ministry)
6. Key Recommendations & Checklist

1. Students (K–12 & Higher Education)

- Attend drills & safety workshops.
- Keep a small Go-Bag (water, snacks, flashlight, first aid, ID).
- Save emergency contacts & memorize two numbers.
- Help peers (especially younger children or those with disabilities).
- Stay calm, follow instructions, and avoid spreading rumors.

2. Teachers & Administrative Staff

- Participate in NDMA/local disaster training.
- Know emergency protocols & communication channels.
- Ensure safe evacuation & account for students.
- Provide basic first aid and emotional support.
- Assist in recovery and temporary teaching arrangements.

3. Educational Institutions & Local Disaster Response Teams

- Develop a School/College Disaster Management Plan (SDMP/CDMP).
- Conduct regular mock drills.
- Install alarms, fire extinguishers, and clear signage.
- Coordinate with police, fire, hospitals, NDMA.
- Support temporary shelters & ensure academic continuity.

4. Parents & Guardians

- Know the institution's disaster plan.
- Teach children basic responses at home.
- Keep updated medical & contact information with school.
- Avoid rushing to school unless instructed.
- Offer emotional reassurance post-disaster.

5. Government Departments (NDMA, Education Ministry)

- Integrate disaster risk reduction into curriculum.
- Enforce safety codes in educational infrastructure.
- Fund resilience projects & provide training.
- Deploy ICT-based early warning systems.
- Support psychological counseling & post-disaster recovery.

6. Key Recommendations & Checklist

- ✓ Regular drills & training.
- ✓ Multi-stakeholder coordination.
- ✓ Inclusive planning (special needs, mental health).
- ✓ Technology-based alerts & online learning backup.
- ✓ Review & improve plans after every event.
